Contract Clause to be included in Part H when FY 2000 population funding may be provided in the contract.

### **POPULATION ASSISTANCE - FY 2000 Certification (JAN 2000)**

(a) Requirement for Certain Organizations to Complete Certification Form. Pursuant to Section 599D of the Foreign Operations, Export Financing, and Related Programs Act, 2000 (P.L.106-113), non-U.S., non-governmental organizations, both non-profit and profit-making, and multilateral organizations ("covered" organizations) must complete a FY 2000 Population Assistance Certification Form, prior to receiving any FY 2000 population funds either directly or through subawards. The related Certification Guidance (January 2000), incorporated herein by reference, explains which organizations are covered. A copy of the guidance is attached or can be obtained from the Contracting Officer.

(b) (1) Prior to the award of any sub-contract or grant to a covered organization that might include FY 2000 population funds, the Contractor must request the potential subawardee to complete the FY 2000 Population Assistance Certification Form. Commercial firms that are not engaged in family planning activities (e.g., firms supplying computer equipment, office supplies, maintenance services or printing services) are not considered "covered" organizations. The form provides options for covered organizations either to certify (Option No. 1) or decline to certify (Option No. 2). A copy of the form is attached or can be obtained from the Contracting Officer.

(2) If the subawardee returns the form, the Contractor must forward a copy to the Cognizant Technical Officer. If the subawardee has certified (electing Option No. 1), the Contractor may then make the subaward. If the subawardee has elected Option No. 2, or has not completed the form, the Contractor may not make the subaward until it receives from the Director of USAID's Office of Population, Global Bureau, or his/her designee, written approval of the organization and the amount to be provided.

(3) The Contractor must keep a copy of the completed FY 2000 Population Assistance Certification Form and any USAID approval in its contract files.

(4) USAID may require a refund of any amounts of FY 2000 population funds that the Contractor awards without following the requirements in paragraph (b)(2).

(c) Remedies for Non-compliance: USAID has approved commitment of FY 2000 population funds under this contract in reliance on certification(s) obtained from covered organizations or USAID's express approval of the maximum amount to be provided in the case of an organization which declines to certify. If a certifying organization materially fails to comply with the terms and conditions of the certification it has provided, USAID or the Contractor

may impose standard remedies available in the event of material non-compliance with a required certification, as well as other remedies which may be applicable under the agreement.

(d) This clause must be included in all subawards that allow for providing FY 2000 population funds to covered organizations. The clause need not be included in subawards that allow funds to be provided only to non-covered organizations, e.g., U.S. entities, or commercial firms not engaged in family planning activities.

## Attachment 2
